Success Obtained while in the programme

MJ Boya joined the National Construction (NCI) in 2018 through a program called Vuk'uphile, at CIDB grade 1GB and 1CE. The incubate has grown on the CIDB register by 2 grades and an additional class of works; they are now on Grade 3GB and 1 CE. These grades are due to change on the CIDB register once the process is completed at the CIDB.

NCI's Interventions Provided

The contractor was offered business training, coaching, business support and Technical mentors, examples include but not limited to:

- Constant Reminders of Compliance Expiry Dates
- Tender advertisements from the BDO
- BOQ assistance

The contractor was offered technical training, coaching and support by the Technical Mentor, examples of these include but not limited to: Training on programming of works; Training on Health and Safety; Training on Project Management.
